## Report of the Independent Auditor

### To the shareholders of Positive Heroes (South Africa) Limited (Incorporated under Section 21)

I have audited the accompanying annual financial statements of Positive Heroes (South Africa) Limited (Incorporated under Section 21), which comprise the directors' report, the balance sheet as at 28 February 2009, the income statement, the statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies and other explanatory notes, as set out on pages 5 to 13.

### Directors' Responsibility for the Financial Statements

The company's directors are responsible for the preparation and fair presentation of these annual financial statements in accordance with International Financial Reporting Standards, and in the manner required by the Companies Act of South Africa, 1973. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of annual financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### Auditor's Responsibility

My responsibility is to express an opinion on these annual financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the annual financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the annual financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### Basis for Qualified Opinion

In common with similar organisations, it is not feasible for the company to institute accounting controls over cash collections from fund raising activities and donations prior to initial entry of the collections in the accounting records. Accordingly, it was impracticable for me to extend my examination beyond the receipts actually recorded.

### Qualified Audit Opinion

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion paragraph, the annual financial statements present fairly, in all material respects the financial position of the company as of 28 February 2009, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards, and in the manner required by the Companies Act of South Africa, 1973.

### Accounting and Secretarial Duties

Without qualifying my opinion, I draw your attention to the fact that with the written consent of all shareholders, I have performed certain accounting and secretarial duties.

### Supplementary Information

I draw your attention to the fact that the supplementary information set out on page 14 does not form part of the annual financial statements and is presented as additional information. I have not audited this information and accordingly do not express an opinion thereon.

To enable the directors to meet these responsibilities, the directors sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The annual financial statements set out on pages 5 to 14, which have been prepared on the going concern basis, were approved by the directors on 08 May 2009 and were signed on its behalf by:

A foreign currency transaction is recorded, on initial recognition in Rands, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.
